DESCRIPTION

The recycled 304 stainless steel cup is a sustainable and stylish choice to enjoy your favourite drinks. With a 380ml capacity, it's perfect to take with you wherever you go. The cork base not only adds a touch of unique style, but also provides a non-slip grip. Made from recycled stainless steel, this cup is durable and corrosion resistant. Plus, its double-walled design keeps your drinks hot or cold for longer. Whether at home, at work or on your outdoor activities, this cup offers you the perfect combination of functionality and sustainability.
